

Equalities & Human Rights Public Sector Day & VCS Day on Human Rights Awareness

EMREC are organising two FREE training events aimed at the Public and Voluntary sector organisations. Please register which day you wish to attend.

This event aims to promote and deliver the key aspects of the Human Rights discussion for Equalities.

<p>Human Rights and Equality - This two hour workshop facilitated by the British Institute of Human Rights will raise awareness of the key human rights ideas, principles and standards and how they relate to equality and their important role in tackling inequality in policy and practice for the VCS/public sector.</p> <p>Human rights – the ideas - What human rights are, where they came from, how they work and how they relate to equality</p> <p>Human rights – the law - Key international, regional and domestic standards, focusing on the Human Rights Act 1998 and the institutional and policy context, including the Equality and Human Rights Commission.</p> <p>Human rights – the practice - How to use a human rights based approach to tackle inequality, using practical case studies relevant to your work.</p>
<p>How Equalities and Human Rights legislation will impact on the broad mix of statutory, third sector, faith groups, disability groups etc, organizations & agencies across the East Midlands. Increase confidence in the work of the Equalities and Human Rights Commission.</p>
<p>Round table discussions on Human Rights practice to deliver better equality outcomes in line with the new Equality Act and the Community Cohesion Agenda</p>
