

by far the most terrifying film  
you will ever see.

# an inconvenient truth

A GLOBAL **WARNING**

**FREE SCREENING**

**Monday 3<sup>rd</sup> March, 6pm**

**SAVOY CINEMA**, Derby Road, Lenton.

Followed by a discussion at  
Unit 2, Church Square, Lenton.

**“Climate change is the single biggest long-term problem we face - the evidence is overwhelming”**

Come and see the film that explains what's happening to the planet because of our actions - and join in a discussion about what we can do about it.

This event is organised by **SPROUT** - supporting environmental projects in Nottingham, run by the Partnership Council and sponsored by the Neighbourhood Development Company (NDC).
