

Free event

Action for Advocacy (A4A) Standards Support Project is hosting a FREE event to support managers of organisations who provide advocacy to Black and Minority Ethnic (BME) communities. The event will support groups to raise awareness and develop an understanding of advocacy specific Quality Standards to deliver independent advocacy.

Quality Standards for Independent Advocacy

Do you work with BME communities? Do you manage an advocacy service?

Are you thinking about quality standards in advocacy?
What is unique to quality in advocacy?
What support and tools are there to help advocacy services meet quality standards?

This free event will be useful for advocates and advocacy managers. There will be a mixture group discussion and facilitator presentations.

**Come along to the forthcoming event:
10.30 - 3pm, Wednesday 21st May 2008, Nottingham**
